

# GLENMUIR - WILKIE

## Mens V Neck Merino Wool Golf Sweater

### PRODUCT FEATURES

This men's 100% extrafine merino wool golf sweater is a pure tap-in when it comes to your golfing wardrobe – you just cannot go wrong, no matter which of our g.Wilkie v neck sweater colours you go for. The certified sustainable, Italian-spun merino is specially selected for its quality and strength before being hand-knitted and manually linked by our craftspeople in a fine gauge knit with excellent stretch, drape and a supremely soft handle. Able to actively regulate heat, the wool resists bacteria and odours and is enhanced by our anti-pill treatment, which keeps the sweater smooth and bobble free, and has +40 UV protection.

- 100% extrafine merino wool
- V neck sweater
- Soft handle and flattering drape
- Outstanding durability and resilience
- No Glenmuir 1891 embroidery.

## FABRIC TECHNOLOGY

Naturally hypoallergenic, anti-bacterial and anti-odour

Active smart fibre thermoregulates to climatic changes to release excess heat for breathability

Elastic added to reinforce welt and cuffs to maintain original shape and grip

Fine-gauge knit for lightweight handle, providing comfort and practicality for layering

Lightweight, easy to pack and provides little restriction to enhance freedom of movement

Machine washable at 30°C

Fully fashioned knitted to shape with bio-degradable natural fibres for reduced waste and sustainability

Fibres treated to stabilise yarn elasticity resisting shrinkage

Active smart fibre thermoregulates to produce a heat shield or accelerate moisture evaporation

Fabric protects against sunrays by absorbing radiation providing +40 UV protection

Certification for using the finest 100% pure new wool from renewable sources
