HOOK SENIOR OPEN

It's now only 1 week left to this great event in Sweden and it's still spots available, both for professionals and amateurs. As an amateur you will play in the better ball event together with some of the best professional seniors in Sweden. **August 7-8**, it is time for Hook Senior Open at beautiful [Hooks Herrgård](#). With 2 nice golf courses, spa and very good facilities, this will be a memorable event. For more information about this event or registration, please go to www.seniorgolftoureuropa.com/hookssenioren

NEXT EVENTS

After the summer events in Northern Europe we are moving south to Spain and Portugal for all the winter events.

September 6-10, The first of 3 events in Spain will be played at the fantastic Valle del Este golf resort. Valle del Este opened in 2002 and was designed by José Canales, who integrated the course into the surrounding landscape by making use of natural

vegetation. The raised tees are surrounded by volcanic rock making for a very surreal golfing experience. **It is very important that you register for this event as soon as possible, due to limited numbers of rooms in the hotel.** For more information about this event or registration, please go to <https://www.seniorgolftoureuropa.com/mojacarseniormasters>

October 28-31, it is time for our first event in Portugal. This event is an individual event over three rounds, all of which are played on the three courses that are hosting the **European Senior Tour Q school** in January next year. This will be a great opportunity to practice and play a tournament there before the Q school. There are only 20 places available at this event, due to pressure of tee times and they will be dealt with on a first come, first served basis. **For the moment there are only 6 spots left in this event**, so if you are interested register right away at:

From Portugal we go directly over the boarder to Spain and welcome you to the **Andalucian Senior Open, November 1-5**. We stay at Barceló Montecastillo Golf Resort. This is one of the best golf courses in Spain, designed by Jack Nicklaus and has been the venue for the Volvo Masters for 5 consecutive years. For more information about this event or registration, please go to

N.B - There are new lower entry fees in the Mojacar and Andalucian events!
