

Race to Marbella 2026 Order of Merit

The Race to Marbella Order of Merit is an additional ranking running alongside the main Order of Merit of Senior Golf Tour Europe.

While players compete throughout the season for the regular SGTE Order of Merit, every event also contributes to the Race to Marbella standings.

It is a parallel competition that rewards consistency, participation, and performance across the season — all leading to qualification for the prestigious Tour Final in Marbella.

How it works:

Points are earned at every tour event and follow the same point structure as SGTE Order of Merit

New: A minimum of 5 events during the season is required to qualify for the Race to Marbella Order of Merit and chance of winning extra Prize Money

New: Event winners receive a free entry to the Tour Final in Marbella (non-transferable)

New: R2M Prize Money Amateurs Order of Merit (Gross category)
Winner € 800 | 2nd €600 | 3rd €400

New: R2M Prize Money Professionals Order of Merit
Winner €2,000 | 2nd €1,500 | 3rd €1,000 | 4th €750
