

GLENMUIR - PALOMA

Ladies Performance Pique Golf Polo Shirt

PRODUCT FEATURES

In a wide array of colours, every golfer will find her perfect shade in this pique g.Paloma polo shirt. Designed to complement every wardrobe, this style is a versatile, plain ladies short sleeve golf shirt made from our functional performance fabric that is easy to wear and to care for. The breathable, active fibres will keep you cool and dry, by wicking away moisture and releasing excess heat, while simultaneously shielding you from the sun with +40 UV protection. Continually smart-looking with an anti-curl collar, a deep, five-button placket and V-cut hem customises g.Paloma's fit and increases your comfort.

- 100% performance polyester pique
- Ladies' performance polo shirt
- Anti-curl rib collar
- Self colour Glenmuir Lady embroidery above right hem

FABRIC TECHNOLOGY

Anti-curl collar reinforced to resist wrinkling, fading and shrinking for a long lasting appearance

Active smart fibre thermoregulates to climatic changes to release excess heat for breathability

easy care

Pre-washed and pre-shrunk fabric making it easy to wash, dry and requires little or no ironing

Machine washable at 30°C

Functional wicking yarn which draws moisture away from the body through fabric

PERFORMANCE

Technical and functional product design and fabric to enhance your on course performance

Fabric protects against sunrays by absorbing radiation providing +40 UV protection
