NEWS

We have had a lot of requests from many of you, if we can have the same age limits as other senior tours. So we have decided to open up all events for players age 48+.

We also have had some questions about the prize money and we would like to inform you that we are the only senior tour that pays 90% of all the entry fees back to the professional players. 80% to the winners of the actual event and 10% to the winners of the Order of merit. Around 40% of the field get prize money. We also have very nice prizes for the amateurs.
