March 2020

Dear golfer!

Due to the current global situation in relation to Coronavirus (COVID-19) and in compliance with our civil responsibility, Senior Golf Tour Europe together with Quinta da Marinha Golf Resort has decided to postpone Lisbon Senior Open. We will come back with a new date for this event as soon as the situation is stabilized and we are allowed to organize events again.

As important as golf is to all of us, public health and well-being is the absolute priority. That will remain the case as we continue to monitor this rapidly evolving global pandemic over the coming weeks and will follow national Governments and their public health agencies to ensure we have the latest advice to inform all our decision making.

If there are any changes to the status of any other of our planned tournaments later this year, we will communicate this to you in due course.

We are ready and able to respond to your queries and requests by email.

Stay safe, take care of yourselves and your families, and do not hesitate to get in contact if we can assist you during this time.

From the team at Senior Golf Tour Europe
