SENIOR GOLF TOUR EUROPE 2018

We had a great start organizing the Tour in **2017** and many of you have joined us as a member and are following us on Facebook. This Tour has been set up for you and senior golfers like you to take part in and, as our player numbers grow, so will the prize funds and the number of events. To help us to grow the Tour, please share this information with other senior golfers that you think may be interested in joining us.

The goal for **2018** was to arrange **10-12 events** around Europe and a Tour Final at the end of the year. At present, we have seven confirmed events and the exciting **Tour final in Marrakech in December**. There are still some events we are waiting to be confirmed this year, so stay connected with us on our website www.seniorgolftoureurope.com and our Facebook page at www.facebook.com/SGTEurope/

It is **very important** for us to know if you like the look of the events we have organized and if you are going to compete in them. So, we would ask you to register for the events as soon as possible through the entry forms on the website or send an email directly to the organizer. We have had many registrations already and some of the events have limited fields, so don't wait too long to think about it!

Unfortunately the **Veneto Senior Open 2018** in April was cancelled, so we start the season in Spain with the new event **Cadiz Senior Open** in May.

CADIZ SENIOR OPEN 2018

The first event of the year will be organized in the Cadiz region **May 16-18**. The event will be played at two of the best golf courses in the region: **Arcos Gardens** and **Villanueva Golf**.
