With great weather and surroundings on a very nice golf resort out in the Spanish desert, the players enjoyed the event a lot. See you all at the next event!

NEXT EVENTS

October 28-31, it is time for our first event in Portugal. This event is an individual event over three rounds, all of which are played on the three courses that are hosting the **European Senior Tour Q school** in January next year. This will be a great

opportunity to practice and play a tournament there before the Q school. There are only 20 places available at this event, due to pressure of tee times and they will be dealt with on a first come, first served basis. **For the moment there are only 2 spots left in this event**, so if you are interested register right away at:

From Portugal we go directly over the boarder to Spain and welcome you to the **Andalucian Senior Open, November 1-5**. We stay at Barceló Montecastillo Golf Resort. This is one of the best golf courses in Spain, designed by Jack Nicklaus and has been the venue for the Volvo Masters for 5 consecutive years. We finish the **2017** season with our event at the great resort **Desert Spring, December 3-9**. For the third consecutive year, Desert Springs will host the Almeria Desert Classic, formerly the Almeria Swing. This ever popular event will again consist of a 36 hole Better Ball Event, followed by a 54 Hole Individual Event and for the first time, will be preceded by a Pro Am Event. This will be fully booked so register now to secure a spot in this popular event.
